Ginger Rogers at Reel Classics: Article 2: Backwards and ...

Numerous studies have found that female professors shoulder a disproportionate amount of service work compared to their male peers. Research also suggests that students hold female instructors to a different standard than they do male faculty members, especially when it comes to personality. Women are expected to be more nurturing and are perceived harshly when they're not, for example.

A high ponytail with bouffant is a hairstyle worn high on the head, with the crown part teased and puffed out. While it is a classic everyday style, the addition of a bouffant adds an interesting twist. The bouffant itself has very glamorous origins: legend has that it was created especially for Marie Antionette by her royal hairdressers.
