Self-care is not selfish. You must fill your own cup before you can pour into others. self-care and mental health Ideally, we all engage in regular self-care in which we do the things that make us feel taken care of mentally, physically, and emotionally. But this doesn't always happen, and we may need to stop...

While William Shakespeare's reputation is based primarily on his plays, he became famous first as a poet. With the partial exception of the Sonnets (1609), quarried since the early 19th century for autobiographical secrets allegedly encoded in them, the nondramatic writings have traditionally been pushed to the margins of the Shakespeare industry.
