The MSM report ad nauseam that illegal aliens are only "doing work that Americans won't." This mantra is mercilessly bandied about by illegal immigration supporters and echoes throughout the halls of Congress and the White House whenever the topic comes up.

Impacts of Illegal Immigration: Jobs - usillegalaliens.com

Opposition to immigration exists in most states with immigration, and has become a significant political issue in many countries. Immigration in the modern sense refers to movement of people from one state or territory to another state or territory where they are not citizens. Illegal immigration is immigration in contravention of a state's immigration laws.

Income inequality in the United States is the extent to which income is distributed in an uneven manner among the American population. The inequality has increased significantly since the 1970s after several decades of stability, meaning the share of the nation's income received by higher income households has increased. This trend is evident with income measured both before taxes (market ...
