*Comprehending as well as union even more than extra will provide each success. neighboring to, the publication as skillfully as insight of this bellwether connie willis can be taken as well as picked to act.*

**Bellwether Connie Willis**

A bellwether is one that leads or indicates trends; a trendsetter.. The term derives from the Middle English bellwether and refers to the practice of placing a bell around the neck of a castrated ram (a wether) leading the flock of sheep. A shepherd could then note the movements of the flock by hearing the bell, even when the flock was not in sight.

The Nebula Award for Best Novel is given each year by the Science Fiction and Fantasy Writers of America (SFWA) for science fiction or fantasy novels. A work of fiction is defined by the organization as a novel if it is 40,000 words or longer; awards are also given out for pieces of shorter lengths in the categories of short story, novelette, and novella.
