### **Bamboo People Mitali Perkins**

I've been writing novels featuring South Asian girls for years—Indian-Americans, Indians, Pakistani-Americans, Bangladeshis. It was high time to write about a guy. *Bamboo People*, set along the Thai-Burma border, features not one male protagonist, but two. For three years my husband, children, and I lived in Chiang Mai, Thailand.

FYI: Thanhha wrote an op-ed in the New York Times from the point of view of her mother, who is very much like the mother in *Inside Out & Back Again*.. Reviews "Open this book, read it slowly to savor the delicious language. This is a book that asks the reader to be careful, to pay attention, to sigh at the end." (Kathi Appelt, bestselling author of Newbery Honor Book *The Underneath*)
