A Taste of Power examines culinary writing and practices as forces for the production of social order and, at the same time, points of cultural resistance. Culinary writing has helped shape dominant ideas of nationalism, gender, and sexuality, suggesting that eating right is a gateway to becoming an American, a good citizen, an ideal man, or a perfect wife and mother.

A Taste Of Power is a fascinating account of Elaine Brown's life, from her introduction to the Black Panther Party to her eventual escape from it. I knew very little about the Panthers going into this book and learned so much about them from Brown's experience, including the rampant misogyny that eventually caused her to leave.

"A superb achievement. Finally I understood what the Black Panthers were all about. They were bold, daring, and beautiful, and so is A Taste of Power." —Claude Brown, author of Manchild in the Promised Land "What Elaine Brown writes is so astonishing, at times it is even difficult to believe she survived it.
