Burn For Me Fighting Fire

The history of organized firefighting began in ancient Rome while under the rule of Augustus. Prior to that, there is evidence of fire-fighting machinery in use in Ancient Egypt, including a water pump invented by Ctesibius of Alexandria in the third century BC which was later improved upon in a design by Hero of Alexandria in the first century BC.

History of firefighting - Wikipedia

Firefighting is the act of attempting to prevent the spread of and extinguish significant unwanted fires in buildings, vehicles, woodlands, etc. A firefighter suppresses fires to protect lives, property and the environment.. Firefighters typically undergo a high degree of technical training. This involves structural firefighting and wildland firefighting.
