Debating the Borough Franchise. To provide a number of different perspectives on the major implications of the Second Reform Act, I treat here one specific change, the extension of the franchise in the boroughs and cities of England and Wales. In narrowing my focus in this way, I am choosing to discuss one side rather than another in a series of oppositions.

Mark 16:9-20. Mark 16:9-20 has been called a later addition to the Gospel of Mark by most New Testament scholars in the past century. The main reason for doubting the authenticity of the ending is that it does not appear in some of the oldest existing witnesses, and it is reported to be absent from many others in ancient times by early writers of the Church.
