Learning the Language (Present Continuous I) 2018, video, color, sound, continuous loop (18:25 min). "Learning the Language (Present Continuous I)" is part of a series of video portraits in which Cesarco borrows the vocabulary of the person portrayed to address some of his own recurrent concerns (memory, repetition, regrets, etc.).

Like Steven, I've created my own solo (and probably non-comics) blog, surer tonic. I should begin posting there more regularly in August. This will be the end of Peiratikos and I'll be closing all comment threads once I get through the comments currently in moderation to make sure nothing legitimate got nabbed by the spam catcher.

And then it was time for Bruce to make one more Jersey Jump on stage, for a nearly nine-minute performance of "Take it Easy" into "Our Lady of the Well," just as it's sequenced on the For Everyman album. After hanging back on "Our Lady of the Well," Springsteen the guitar-slinger threw in some sizzling riffs to finish off one of the least laid back evenings I've spent.

Home Movies is an Animated Show that began on UPN, then moved to when the block premiered in 2001. The show is a Spiritual Successor to Dr. Katz, Professional Therapist, which used the same "SquiggleVision", note the same "retroscripting" style of dialog, and much of the same cast. The main character is Brendon Small, and the series was created and written by Brendon Small. As you probably ...

The Civil War era is one of the most critical and fascinating in our nation's history. The many books

about this period written for young audiences provide a rich context in which to learn about the Civil War itself and to explore more basic issues about the nature of human life and society.

So to give some historical context to Luke Bryan's characterizations, I thought we would look back and see what Willie, Merle, and Waylon felt about cocaine. Willie hated the stuff, and would fire anyone in his crew caught using it. Merle barely touched it, except for one dalliance that ended poorly. And Waylon was a

"Wah-Wah" is a song by English musician George Harrison, released on his 1970 triple album All Things Must Pass. Harrison wrote the song following his temporary departure from the Beatles in January 1969, during the troubled Get Back sessions that resulted in their Let It Be album and film. The lyrics reflect his frustration with the atmosphere in the group at that time - namely, Paul ...

Tropic of Cancer is a novel by Henry Miller that has been described as "notorious for its candid sexuality" and as responsible for the "free speech that we now take for granted in literature".: 22 It was first published in 1934 by the Obelisk Press in Paris, France, but this edition was banned in the United States. Its publication in 1961 in the U.S. by Grove Press led to obscenity trials that ...
