Breaking Nova 1 Jessica Sorensen

This was my first Jessica Sorensen book and I can honestly say it won't be my last. Wow, she sure is an author who can make me feel deeply about the characters in her books. Breaking Nova I found to be a very heavy read, and by the end I was emotionally drained. I am for sure going to have to take a break in between this first book and The second.

I love Jessica Sorensen's writing. It's so fluid and beautiful. Most of her books aren't light. She creates beautifully damaged characters who have some serious issues. Nova and Quinton are not perfect characters. They are both broken, flawed, damaged. Nova Reed & Quinton Carter have both suffered major losses.
