This is why you remain in the best website to look the amazing ebook to have.

Beyond Bath Time Embracing Motherhood

Gender is the range of characteristics pertaining to, and differentiating between, masculinity and femininity. Depending on the context, these characteristics may include biological sex (i.e., the state of being male, female, or an intersex variation), sex-based social structures (i.e., gender roles), or gender identity. Many if not most societies use a gender binary, having two genders, men ...

Yes, it's been forever! Our sweet Baby Boy was born at the end of November--right on his due date, actually. And in keeping with this perpetually strange phase of life where I'm parenting both teens and babies all at once, my water broke right in the dark, early morning hours as I was about to rouse everyone for the school day."But I have Very Important Things To Do!", I wanted to say.
