Blood Calling is aimed toward the YA audience, but that doesn't make it any less entertaining for adults. This story takes a very different stance on the overly-done vampire story. This story is told as if Lucy (the main character) is sitting across the table from you—like an autobiography so-to-speak.

I've been burned before by vampire novels, I'm not going to say which one but you know what I'm talking about. Blood Calling was surprisingly good considering what it was, it starts off a little different, entirely written from the first person POV which for the first few pages can be a little bit jarring, but stick with it.
