"Brain Jack" by Brian Falkner is a story about a 17 year old boy named Sam Wilson who is a genius hacker who, after bringing "the United States of America to its knees," is recruited to work for Homeland Security. This book was a wild ride and a peek into the minds of computer geniuses.

### **Brain Jack by Brian Falkner, Paperback | Barnes & Noble®**

A cyber-thriller that reads like a video game. Sam Wilson isn't out of high school yet, but he's on his way to becoming the most wanted hacker in the world—first for crashing the international computer grid (well, he didn't mean to), then for subverting the White House security system (OK, that was on purpose). But when he escapes from federal custody, he learns that his country needs him ...
