Johnny Shaw is quickly blazing his way up my list of favorite authors. Big Maria is the tale of three losers looking for their big score. Frank is an old man with cancer. Harry Schmittberger (guess what his nickname is) is a prison guard. And Ricky was a bus driver until he wrecked his bus and became the defendant in a couple dozen lawsuits.

"I loved every page of Big Maria. You don't often read a gutbustingly funny book that manages to maintain its fundamental seriousness and bad-ass sense of plot. This proves what many of us suspected after Dove Season, that Johnny Shaw is one of the majors already." – Scott Phillips (author of The Ice Harvest & The Adjustment) BIG MARIA

Shaw's approach in this new novel represents a dramatic departure. Big Maria is a wild, wild ride of amazing proportions, a low-comedy crime caper that dredges the depths of human folly. Think of the Three Stooges hunting for the Treasure of the Sierra Madre and you've got a pretty good idea of the direction this yarn takes.
