That said, the donkey punch was performed in some pornography films in the early 2000s, including Gutter Mouths 30 and Donkey Punch. However, both actors and reviewers criticized that the scenes featuring donkey punches were painful to participate in as well as to watch, to say the least. In 2008, a British horror film called Donkey Punch was based entirely on the premise of covering up a ...

This morning, my 5yo asked us if his new boy-kitten would grow up to be a daddy cat. We said that no, he wouldn't, and were about to explain that this is because the kitten is desexed when my son said, "Oh, that's right - because if you don't grow up to be a mummy or a daddy, then you're not a boy or a girl, you're just a person!"
