In A Thin Ghost and Others (1919), M R James lays aside most of his usual medieval props and builds his horrors, like LeFanu, his mentor, in 18th and 19th century settings. review 1: M.R. James is reputed to be the creator of the modern ghost story, and is said to have inspired numerous 20th century horror writers. When I read that, I jumped at the chance to read his stuff, much of it for free on Project Gutenberg. This collection, the first I tackled, was a disappointment. The stories have an interesting build up, but end quickly and confusingly.
