§112.31. Implementation of Texas Essential Knowledge and Skills for Science, High School. (a) The provisions of this subchapter shall be implemented by school districts.

**19 TAC Chapter 112, Subchapter C - Texas Education Agency**

Educational assessment is the systematic process of documenting and using empirical data on the knowledge, skill, attitudes, and beliefs to refine programs and improve student learning.

Assessment data can be obtained from directly examining student work to assess the achievement of learning outcomes or can be based on data from which one can make inferences about learning.
