Tékumel is a fantasy world created by M. A. R. Barker over the course of several decades from around 1940. In this imaginary world, huge, tradition-bound empires with medieval levels of technology vie for control using magic, large standing armies, and ancient technological devices. In time, Barker created the role-playing game Empire of the Petal Throne, set in the Tékumel fictional ...

From composer and electronic musician Isaac Schankler comes an experimental take on Beethoven's Moonlight Sonata. As the title says, the bass is a bar late and the melody is a bar early. Sheet music for the experiment can be found here. And some of Schankler's more serious compositions here.. Would you like to support the mission of Open Culture?

It's fun to discover a fascinating person via her own words and doodles, rather than seek them out as a bedazzled fan girl. The Women's History Project at the Archives of American Art is scanning a trove of handwritten papers as part of a year long mission to preserve and pass along the creative processes and daily doings of various women artists, art historians, critics, dealers, and ...
