Preposition. A preposition is a word such as after, in, to, on, and with. Prepositions are usually used in front of nouns or pronouns and they show the relationship between the noun or pronoun and other words in a sentence. They describe, for example, the position of something, the time when something happens, or the way in which something is done.

Word classes (or parts of speech) | Oxford Dictionaries

Glossary of Grammatical and Rhetorical Terms. In English grammar, a word class is a set of words that display the same formal properties, especially their inflections and distribution. The term word class is similar to the more traditional term part of speech. It is also variously called grammatical category, lexical category,...

Word Class Definition and Examples - ThoughtCo

The term class usually implies a social and economic hierarchy, in which those of higher class standing have greater status, privilege, prestige, and authority. Western societies have traditionally been divided into three classes: the upper or leisure class, the middle class (bourgeoisie), and the lower or working class.

Class | Definition of Class at Dictionary.com

In both the UK and the US, a class is usually a group of students who are learning together: Jill and I were in the same class at primary school. You can also (especially in the US) use class to mean a group of students who all completed their studies in a particular year: Tim was in the class of 2005.
