Night (1960) is a work by Elie Wiesel about his experience with his father in the Nazi German concentration camps at Auschwitz and Buchenwald in 1944–1945, at the height of the Holocaust toward the end of the Second World War. In just over 100 pages of sparse and fragmented narrative, Wiesel writes about the death of God and his own increasing disgust with humanity, reflected in the inversion ...

Child abandonment is the practice of relinquishing interests and claims over one's offspring in an extralegal way with the intent of never again resuming or reasserting guardianship over them. Typically the phrase is used to describe the physical abandoning of a child, but it can also include severe cases of neglect and emotional abandonment, such as in the case of a parent who fails to offer ...
