Breathing Room Marsha Hayles

Breathing room by Marsha Hayles is a very interesting book. It is about a young girl named Evvy who is battling tuberculosis (tb) in the year of 1940. She is faced with many problems and situations. I thought that this was an interesting book, because it had a different perspective on the tb outbreak of the 1940s.

Breathing Room by Marsha Hayles could be the best book I have read so far this year. I liked it so much I read it in one day. When I heard the setting I was immediately interested. It is set in the early 1940s, which is a time period I am really interested in. There were references to what was happening in World War II.
