I've talked with some of you who have had a similar problem- getting your child to memorize addition/subtraction math facts. This is a really crucial skill, because as they start doing more advanced math concepts (beginning with multiplication) they will need to quickly recall addition facts to solve the problem they are doing in the most efficient way possible.

Featured Ungraded, Multi-level Resources - Composition Resource Writing and Rhetoric Series. The goal of the Writing and Rhetoric series is "to prepare students for rhetoric, which is the art of writing well and speaking persuasively" (Writing & Rhetoric: Fable, p. x). Many classical educators have begun to implement the progymnasmata, the ancient classical exercises for teaching these skills.
