Genealogy is my business (not just a hobby), so I charge fees for my time, regardless of the result. I've spent over 35 years learning about (and indexing) original records, and it takes time/money to consult my index, travel to a record office in Brisbane, find the relevant bundle/volume and file/page, and send you the results.

Identifying the Father of an Illegitimate Child. An illegitimate birth is not necessarily a 'dead end' in genealogy. Family historians can sometimes identify the child's biological father by using various documents in record offices and libraries.. Names of mothers and children listed below came from many different series of records, some more informative than others.
