Book 2 is awesome. If you liked Twilight, you'll love this. If you didn't like Twilight, I think you'll still like this. Though Kira is a human in love with a man who craves her blood *spoiler alert if you haven't read book 1 yet*(he's part wild cat from a different planet). Kira is a much stronger character and has lots of spunk.

"C.K. Bryant does a brilliant job of writing a paranormal romance that combines what we know with what we don't, love with hate, danger with hope. She had me turning the page, sitting on the edge of my seat and wishing I could read the next book in the series right away.
