Learning Interrupted: Maladaptive Behavior in the ...

Tools like The Alert Program encourage students to be aware of their own readiness to learn. Young kids will always need some guidance and help to self regulate, but if students are made aware of how they're feeling, and if teachers are aware of how they (and their classroom environment) are affecting students, classroom management issues will be reduced and student learning will be improved.

5 Easy Ways To Reduce Student Stress In The Classroom

How to Quiet a Classroom. Do you dream of having a peaceful, quiet classroom? It's a given that sometimes your students will be loud, so it's very important to develop some tried and true methods of quieting them down. Tailoring your...

3 Ways to Quiet a Classroom - wikiHow

As parents, we all want to help our children to grow, play, and learn. For our young ones, perhaps we hope they will learn to dress themselves, learn to write their name, or learn good table manners. You might be surprised to learn that self-regulation is the basis of these and all goals we have [...]

Drills. It's a part of classroom life. Being prepared makes teaching emergency procedures (like a lockdown drill) simplified to kinders. Here's the "how to" so you can easily make a lockdown shade to cover a window on any of your interior walls that don't have one. Here's my creation of a pull-down shade to cover that odd-shaped window in my classroom door.

Easy How to Make a Lockdown Shade | KindergartenWorks

An anxious mind is a strong, powerful mind, as anyone who has tried to rationalise themselves out of anxiety will tell you. An anxious mind can outrun, overpower and outwit rationality and logic any day of the week. What if you could harness the strength and power of that fiercely protective mind ...
