### **Orange: Connect - Managerial Accounting Chapter 10**

Managerial economics deals with the application of the economic concepts, theories, tools, and methodologies to solve practical problems in a business. In other words we can say that managerial economics is the combination of economics theory and managerial theory. It helps the manager in decision making and acts as a link between practice and theory".

CEIBS Global Executive MBA is a part-time 20-month programme with a strong focus on managerial issues, coupled with leadership development and coaching sessions.

**Global Executive MBA | China Europe International Business ...**

Managerial accounting contrasts with financial accounting in that managerial accounting is for internal decision making and does not have to follow any rules issued by standard-setting bodies. Financial accounting, on the other hand, is performed according to Generally Accepted Accounting Principles (GAAP) guidelines.
