Description. The night auditor typically handles both the duties of the front desk agent and some of the duties of the accounting department. This is necessitated by the fact that most fiscal days close at or around midnight, and the normal workday of the employees in the accounting department does not extend to cover this time of day.

Whether you're a new gardener or one with lots of experience, you might not know that some plants close their flowers at night. Although the reason for this behavior isn't fully understood, it may have to do with the habits of insects that visit the plant to spread pollen. Flowers may only stay open in the daytime because this is when the particular insects that visit them are active; closing ...
