Best Answer: You have reacted badly to your parents advice. You're good at biology but your parents are afraid you'll get complacent so they are trying to motivate you to try harder, you shouldn't let their pushing you to achieve more make you want to give up. It's hard to be a parent, I know, push a child ...

I suck at biology :(? | Yahoo Answers

• the typical answer or answers which are expected • extra information to help the Examiner make his or her judgement and help to delineate what is acceptable or not worthy of credit or, in discursive answers, to give an overview of the area in which a mark or marks may be awarded
