Solution-Focused Therapy: it is often more important to find solutions than it is to analyze the problem in great detail.

What is Solution-Focused Therapy: 3 Essential Techniques

Building on a strengths perspective and using a time-limited approach, solution-focused brief therapy is a treatment model in social work practice that holds a person accountable for solutions rather than responsible for problems. Solution-focused brief therapy deliberately utilizes the language and symbols of "solution and strengths" in treatment and postulates that positive and long ...

Solution-Focused Brief Therapy - Encyclopedia of Social Work

David, I agree that the client does indeed have a problem they need help with, and if the client wants to talk about the problem, analyse the problem, trace the pathology of the problem then no one should stop them but.....and here is the thing of it.....Solution Focused practitioners holds the ethos that the "therapist" shouldn't analyse, pathologise and decide what would help.

Cognitive Behavioural Therapy and Solution Focused Therapy ...

America's history of healthcare is a bit different than most first world nations. Our staunch belief in capitalism has prevented us from developing the kind of national healthcare the United Kingdom, France, and Canada have used for decades. As a result, we have our own system of sorts that has evolved drastically over the past century and is both loved and hated.

The History of Healthcare in America - JP Griffin Group
