Chaos magic, also spelled chaos magick, is a contemporary magical practice. It was initially developed in England in the 1970s, drawing heavily from the philosophy of artist and occultist Austin Osman Spare. Sometimes referred to as "success magic" or "results-based magic", chaos magic claims to emphasize the attainment of specific results over the symbolic, ritualistic, theological or ...

We have all seen violence unfold at protests and strike rallies on television, perhaps most recently during the labor law protests in France stretching back to summer 2016. For some, these occasions are a chance to "bash the unions" and the chaos and disorder they sometimes bring. For others, it is a proud display of "people power" and what can be achieved through solidarity.
