If you're on a path of self-development, you may be witnessing the state of the world today and wondering how this is possible. How, with all that is known about human development and potential, is the world still in such a deep state of turmoil and conflict?. How is it possible that we're capable of exploring our solar system, inventing the internet, and decoding our DNA, but we can't ...

The stages From the Big Bang to Integral I found simple symbolic scenes to express each level so that when we look at them we can get an immediate 'feel' of each stage in their respective quadrants. For instance, amber upper left is someone bathed in the shining light of an almighty god; orange upper right is a marathon runner reaching for high performance; lower right green is a new city ...
