Northern soul is a music and dance movement that emerged in Northern England and the English Midlands in the late 1960s from the British mod scene, based on a particular style of black American soul music, especially from the mid-1960s, with a heavy beat and fast tempo (100 bpm and above).. The northern soul movement generally eschews Motown or Motown-influenced music that has had significant ...

It's only the anaesthetists decision if the consultant tells the patient to come in in the first instance. I've known consultants (hence the cancellations) who will not operate on a patient with a cold (nature of the surgery, recovery etc) so no point in the person coming unless they want a really nice sleep and no messy stitching/bandages/dressings afterwards ;0) I'd make the call first.
