The Texas Medical Board receives and reviews over 7,000 complaints a year from patients, patient family members, health care professionals and other sources.

Enforcement Overview - Texas Medical Board

Overview. By definition, as a vernacular dialect of English, AAVE has never received the social prestige of a standard dialect, leading to widespread and long-standing misconceptions that it is a grammatically inferior form of English, which linguistics research of the twentieth century has soundly refuted. However, educators and social commentators traditionally have advocated for eliminating ...
