5 Galileo Galilei Galileo Galilei, was an Italian astronomer, physicist, engineer, philosopher, and mathematician who played a major role in the scientific revolution during the Renaissance.. The only comment I have on Galileo's genius, is his genius for astronomy, b he invented the telescope, and I am not atheist, but to be god's son you don't have to be intelligent, however, either way ...

The value of Yogananda's Autobiography is greatly enhanced by the fact that it is one of the few books in English about the wise men of India which has been written, not by a journalist or foreigner, but by one of their own race and training—in short, a book about yogis by a yogi. As an eyewitness recountal of the extraordinary lives and powers of modern Hindu saints, the book has ...

What old man names would you give your newborn? If you are looking for something not boring but still classic, here's a list of names that have stood the test of time. Cranky and wrinkled, your newborn son might look like a grumpy old man, but while a baby with an old fashioned boy name is cute, when he is a teen, will he think it's cool, funny or awful?

I treat my annual best-of reading lists as Old Year's resolutions in reverse — unlike traditional resolutions, which frame aspirational priorities for the new year, they present a record of the reading that merited priority over the year past. In consequence, they are invariably subjective and incomplete — a shelf's worth of books that I, one person, read and enjoyed in the time given ...
