Body image is a person's perception of the aesthetics or sexual attractiveness of their own body. It involves how a person sees themselves, compared to the standards that have been set by society. The Austrian neurologist and psychoanalyst Paul Schilder coined the phrase body-image in his book *The Image and Appearance of the Human Body* (1935). Human society has at all times placed great value ...

Oral rehydration therapy (ORT) is a type of fluid replacement used to prevent and treat dehydration, especially that due to diarrhea. It involves drinking water with modest amounts of sugar and salts, specifically sodium and potassium. Oral rehydration therapy can also be given by a nasogastric tube. Therapy should routinely include the use of zinc supplements.
