It's a question pondered by philosophers, scientists and the devout since the dawn of time: is there an afterlife? While the religious would argue that life on earth is a mere warm up for an ...

Is there an afterlife? The science of biocentrism can ...

The commonly-misunderstood observe effect is used by many to claim that human consciousness *creates* our reality, rather than merely perceives an objective universe.

Consciousness and the misunderstood observer effect

Life after death: THIS is how consciousness continues in the AFTERLIFE - shock claim LIFE after death does exist and the consciousness connects with the "infinite" universe when we die ...

Life after death: THIS is how consciousness continues in ...

A book titled "Biocentrism: How Life and Consciousness Are the Keys to Understanding the Nature of the Universe", published in the USA, has stirred up the Internet because of the notion that life does not end when the body dies and can last forever. The author of this publication, scientist Robert Lanza, has no doubts that this may be possible. ...

Quantum Theory Proves That Consciousness Moves to Another ...

Blackface is a form of theatrical make-up used predominantly by non-black performers to represent a caricature of a black person. The practice gained popularity during the 19th century and contributed to the spread of racial stereotypes such as the "happy-go-lucky darky on the plantation" or the "dandified coon". By the middle of the century, blackface minstrel shows had become a distinctive ...

Blackface - Wikipedia

It is being verified that the pineal gland can produce METAtenin, a DMT based neurochemical secretion that can alter the normal state of consciousness to a higher level resulting in Out-of-Body experiences, lucid dreaming and paranormal sensitivity.

Metatonin Research, Pineal gland secretion METAtenin

Matilde, one of our readers from Switzerland recently asked us: Hi there! What's the difference between the mind, body, spirit, soul and the self? In an article, you say that we should question who we are and that we will discover that we are not our minds, but that we are nothing and everything ...

Mind, Body, Spirit and Soul: What's the Difference ...

MessageToEagle.com - For as long as anyone can remember philosophers, scientists and religious men have pondered what happens after death.. Is there life after death, or do we just vanish into the great unknown? There is also a possibility there is no such thing as what we usually define as death.

Death Is Just An Illusion: We Continue To Live In A ...

MessageToEagle.com - People around the world make photographs of something very strange - a phenomenon called "orbs". Orbs exist, but where do they come from? Are they energy beings? Do they come from outside of physical reality? Although there are many theories of their original source, the orb phenomenon has not yet been fully explained.

Mysterious Orbs - Are They Energy Beings From Outside Of ...

Despite his crucial insight, Schopenhauer missed a key point in his account of will and consciousness. Our capacity for inward knowing and all that attends this introspective capacity is more a case of feeling than intellect. We don't know ourselves as Selves, we feel it. In fact, consciousness is more a matter of emotion than thought, the latter actually being a derivative mode of the former.
