Books In The Digital Age

Books in the Digital Age will become a standard work on the publishing industry at the beginning of the 21st century. It will be of great interest to students taking courses in the sociology of culture, media and cultural studies, and publishing.

Books in the Digital Age: The Transformation of Academic ...

In the digital age one of the most overused phrases is: "This is a Gutenberg moment." That was the moment when the printing press took away the Church's monopoly on information, and suddenly anyone who had an idea or opinion could be distributed. The only Gutenberg moment that I have come across today is this one.

The Best Books on Negotiating the Digital Age | Five Books ...

Online vs Print: The Digital Age of Books The feel of the paper, the flip of the page, the texture of the cover, why would anyone want to read from a screen at the expense of this tactile experience? Well, according to recent market data, approximately 1-in-5 book buyers prefer the screen, and for reasons a plenty.

Online vs Print: The Digital Age of Books | The Artifice

By the first quarter of 2018, digital audio revenue had increased by 32.1% versus the prior year. Harper Collins, a leading book publisher, reported that audio revenues represented 25% of its digit sales in the first quarter of 2018. Simon & Schuster, another book publisher, reported a 435 increase in digital audio sales during the same period.

The Digital Age of Books - THE EYE

So the pressing need is to single out a particular answer, and a particular sort of answer, to the question of what relevance great books still possess in a digital age.

Great Books in a Digital Age? | National Affairs

Books in the Digital Age It's so interesting to see how books have transformed in the last 30 years. Some have come and gone, but one thing has remained true - reading will always be essential and important for pleasure and academic pursuit.

Books in the Digital Age - YA Books and More

Books in the digital age have an opportunity to capitalize on these experiences — experiences that have in the past been limited to words on a page due to printing being an analog medium. With the advent of tablets, an opportunity exists to evolve the book experience by taking advantage of new technologies.

Reinventing the Book for the Digital Age | TIME.com

Reviews "Book Presence in a Digital Age is that rare volume that reads as both the culmination and anticipation of a field. It reflexively brings together some of the most compelling critics and artists thinking about 'the book' as medium and cultural artifact - and the individual conversations, explorations, and interventions that result would have alone made for a worthy volume.

Book Presence in a Digital Age: Kiene Brillenburg Wurth ...

With book publishing, you would only need about 2,000 people to buy the e-book at \$4.99 to recoup your investment. Books allowed us to commission expensive visual art projects.
