PHIL MAY. The Pretty Things were unquestionably the finest British group of the 1960s not to have a hit in the United States. Their inexplicable failure to tour the United States, causing them to be overlooked entirely in the tidal wave of British Invasion rock, provides the hook to most stories on the Pretty Things, but is hardly the whole tale.

Observational learning is learning that occurs through observing the behavior of others. It is a form of social learning which takes various forms, based on various processes. In humans, this form of learning seems to not need reinforcement to occur, but instead, requires a social model such as a parent, sibling, friend, or teacher with surroundings. . Particularly in childhood, a model is ...
