The Greek mathematician Euclid lived and flourished in Alexandria in Egypt around 300 BCE, during the reign of Ptolemy I. Almost nothing is known of his life, and no likeness or first-hand description of his physical appearance has survived antiquity, and so depictions of him (with a long flowing beard and cloth cap) in works of art are necessarily the products of the artist's imagination.

Fortunately for our mouthy techie, nobody upstairs was in any condition to beat the shit out of him. In fact the only one of them that even seemed aware of our arrival was the Fringe-Worlder, who waved at us with the bloody stump of his right arm and asked how "y'all's" part of the mission was going.

God's Righteous Judgment. 2 Therefore you have f no excuse, O man, every one of you who judges. For g in passing judgment on another you condemn yourself, because you, the judge, practice the very same things. 2 We know that the judgment of God rightly falls on those who practice such things. 3 Do you suppose, O man—you who judge those who practice such things and yet do them yourself—that ...

Deep Throat (1972) may not have been the best adult film ever made, but it was certainly one of the most important. After its premiere at the World Theater in New York on June 12, 1972, the film's popularity helped launch a brief period of upper-middle class interest in explicit pornography, referred to by Ralph Blumenthal of The New York Times as 'porno chic' – a phenomenon that was ...
