Blood Family Anne Fine

Community Reviews. Blood Family by Anne Fine is a middle grade children's fiction story about a boy who was abused at a young age and now strives to maintain a normal life with a new family. At first, the story was interesting to me, yet seemed to lose its spark and pick back up again in part 3 and beyond.

Blood Family by Anne Fine - Goodreads

BLOOD FAMILY. Anne Fine writes not only with beautiful economy, but truthfully and with great insight into and respect for young people, who are each trying to make sense of themselves and of the society we live in and that is something we all should value and promote."

Amazon.com: Blood Family (9781481477734): Anne Fine: Books

Blood Family by Anne Fine - review. Reading Anne Fine's work is always a challenge as well as a delight. She's like a difficult relative who appears at family events and tells everyone a few home truths, yet gets away with it because she has such a wickedly witty turn of phrase. She's a writer who has taught us that all families are dysfunctional,...

Blood Family by Anne Fine - TheBookbag.co.uk book review

This year Anne Fine's 'Blood Family' definitely seems to have been the one on the Carnegie shortlist where the content has both surprised and shocked. 'Blood Family' is a modern-day story about Eddie, a boy with plenty of problems to fill a book.

Space On The Bookshelf: 'Blood Family' by Anne Fine ...

" To me Blood Family felt like a totally different Anne Fine from what I've read before. It is well written, and draws you in from the beginning. (This book) is less about the importance of blood families, and more about how things can go right - or wrong - for anyone, at any time. It's worth remembering. Things can easily go right.
