Beyond illustrating how networks work, Near demonstrates the power of the network effect in designing multi-person exhibits. The exhibit is flexible and scalable for groups who drift in and out. The activity of walking on the mat is individual, so individuals don't have to worry about how others' contributions might disrupt their personal experience.

Community organizing is a process where people who live in proximity to each other come together into an organization that acts in their shared self-interest. [citation needed]Unlike those who promote more-consensual community building, community organizers generally assume that social change necessarily involves conflict and social struggle in order to generate collective power for the powerless.

Community organizing - Wikipedia

(2) It is the intent of the Legislature, therefore, to use voluntary citizen ombudsman councils under the leadership of the State Long-Term Care Ombudsman and, through them, to operate a state ombudsman program, which shall, without interference by any executive agency, undertake to discover, investigate, and determine the presence of conditions or individuals that constitute a threat to the ...
