The power of believing that you can improve | Carol Dweck

By Tania Kotsos. The power of belief is one of the keys to reality creation. To be able to consciously create your ideal reality, you must believe that you already have that which you want in the present moment. The secret to belief is to take what you want for granted. This means to believe that it has already been given to you.

The Power of Belief - Take What You Want for Granted

The power of believing that you can improve. Carol Dweck is a pioneering researcher in the field of motivation, why people succeed (or don't) and how to foster success. TEDx was created in the spirit of TED 's mission, " ideas worth spreading. ". It supports independent organizers who want to create a TED-like event in their own community.
