A Transition to Advanced Mathematics - Google Books

Mathematical Proofs really is a transition to advanced math, and I will definitely feel more complete studying advanced level calculus after reading this text. It offers a nice intro to set theory and logic that leads up to the basics of proving, and finishes off with the theoretically important proofs that found calculus, number theory and ...

Mathematical Proofs: A Transition to Advanced Mathematics

book is titled "A Transition to Advanced Mathematics" but it doesn't make the transition easy. This edition is just the 7th edition with some stuff shifted around so you can't use the previous version to do homework. It is extremely overpriced. \$60 for a book I have to return in 2 months and over \$200 new.

A Transition To Advanced Mathematics PDF - Book Library
