We're now posting original research! Yes, as of late November we are hosting our own original study titled An Examination of the Effect of Prior Experience, Age, and Gender in Non-Food Blending Predictions. Though this title sounds pretty scientific, it just refers to an experiment I did with putting rubber balls in a blender to see...

A great way to build stronger communities is to start with the young. Getting younger people involved in shared projects can lead to the establishment of community organisations. Sporting and arts groups are a great example of this. There are plenty of drama clubs and groups in regional areas around Australia.

Since 1985, taking the National Medical Admission Test or NMAT has been a pre-requisite for qualifying in any medical school in the country. Although not 100% accurate in predicting one's performance as a medical student, NMAT enables schools to select the right candidates they deemed prepared ...

October 2016, Here's how to copy and paste in this site. To copy and paste the previous sentence, for reviews, etc, do the following; 1) click just after the last character - in this case the period following the word site.

Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls.

New kids franchise 'Fatak Patak' launches in India with animated TV series, merchandise The franchise has been developed to provide children with a complete experience of the animated characters on television along with the opportunity to own and play with the toys.

I don't know anything about custody agreements, but have you talked to your ex about changing the times you get the kids? I think you should definitely consider pursuing your degree and since it sounds like your ex is trying to be supportive of you and that goal, maybe you can rework the deal so that you get them for more weekends or a big portion of the summer, when you both don't have

What's your thoughts on #5c? I don't like that they give you the rate, but don't say what substance it is the rate for. The rate of formation of the product is different than the rate of the disappearance of the reactant.

The 7 Foods Worth Eating Every Single Day Our 7-Day Kickstart Plan is unique in that it focuses on the highest quality whole foods (including the 7 foods worth eating every day), to make sure you get everything you need on a plant-based diet.

MATERIALS: Each "Mystery Box" is a rigid, permanently sealed, opaque, rectangular box with one or two glued-in partitions, ramps, etc., and a rolling sphere (e.g. a marble or steel ball). A class set of boxes should have groups of 4 to 6 boxes with the same interior contents and arrangement, with common labels or colors. Keep barrier layouts simple.
