Brothers Of The Wild North

Brothers of the Wild North Sea is a love story – I'll get to it – but it's first and foremost a piece of time and Earth in a changing world. We're in the 7th century, when some of the great civilisations of the Antiquity are not so far behind in time but still burnt to ashes and safeguarded in scholars' memories.

Brothers of the Wild North Sea by Harper Fox - Goodreads

And, in "Brothers of the wild North Sea," she gives us a startling, enormously daring triumph of historical romance, and manages to touch our intelligence as much as our hearts. Caius, a young monk, eldest son of a local Saxon chieftan, has turned his back on the rough, mindless world of his father's clan.

Brothers Of The Wild North Sea by Harper Fox | NOOK Book ...

Brothers of the Wild North Sea is lyrical prose at its finest. The richness of the language, the depth of the characters, the way in which every word is placed not only moves the story along but creates incredibly lush pictures in your head of this bygone era in a country that has seen Vikings and monks and the harsh existence both endured.
