On My Participation In The Atom Bomb Project by Albert Einstein. In response to the editor of Kaizo, Einstein wrote this short essay to describe his limited involvement in the development of the atomic bomb. Einstein stated that his participation consisted of "a single act" - signing the 1939 letter to President Roosevelt. "I did not see any other way out, although I always was a convinced ...

Clay Rathburn is one of those annoying 'renaissance' types who seem to be good at whatever they turn their hands to. First was a string of traditional Triumph hardtails—including the irresistible Velvet Underground. Then we had the RVA Overland vintage dirt bike, and a Harley Sportster 1200 that was straight out of the 70s. So...
