Become A Better Trader, Inc. and our team want to ensure you understand that stocks, futures, options, and spot currency trading have large potential rewards, but also large potential risk. You must be aware of the risks and be willing to accept them in order to invest in the futures and options markets.

### **Free Daily Videos | Become A Better Trader**

We've all heard the advice to "be the change you wish to see in the world." But what does it mean to "be the change" in daily life? I've pondered this question often in my coaching practice, where I work with folks who struggle to change every day. In my experience, positive change — whether individual or global — is inevitable when we refuse to perpetuate behavior which harms, and when we ...
