Life. R. S. Thomas was born in Cardiff, the only child of Thomas Hubert and Margaret (née Davies). The family moved to Holyhead in 1918 because of his father's work in the Merchant Navy. He was awarded a bursary in 1932 to study at Bangor University, where he read Latin. In 1936, after he completed his theological training at St. Michael's College, Llandaff, he was ordained as a priest in the ...

Not only do meats (vertebrate animals) have the same broad types/categories as plants, but they also have others in addition as seen above.. Whether you're talking about meat, dairy, or eggs, those coming from animals are some of the least studied and most recent to be discovered.. What we do know though is that many of them bind not just to carbs, but also proteins and fats ().

Sidetable. We don't have a bed and sleep on a mattress on the floor. This is for practical reasons (no need to sweep under the bed) and really, we haven't found a bed we like enough....(I'm liking this though). I did need a side table because my books, glasses, phone, etcetera just form a pile of junk on my side of the floor.
