Attila: A Barbarian King and the Fall of Rome. by John Man. 389pp, Bantam, £20. No wonder the Huns went west. It can't have been much fun living in steppes where the wrong night wind could blow your yurt away and deep freeze you in your sleep. Not that it was just the harsh conditions of their life that drove them.

Nice things to say about Attila the Hun. For one thing, the barbarian leader was, for the most part, a man of his word—by the standards of his time, at least. For years, he levied annual tribute from the Roman Empire, but while the cost of dealing with the Huns was considerable—350 pounds of solid gold a year in 422,...
