Batman is the world's greatest detective, and he is widely regarded as being the greatest superhero who doesn't have any superpowers. Which is strange, considering that there are countless things he can do that other superheroes (and supervillains) cannot. For a hero like that, he can only be matched by a supervillain equally as exceptional. That may not be the proper word to describe the ...

*Batman: The Animated Series* (or *Batman: TAS*), which originally aired on the Fox Kids block from 1992 to 1995, is one of the most popular and groundbreaking series in Western Animation. Towards the end, it was given a minor Retool into *The Adventures of Batman & Robin*, which promoted the latter hero from recurring role to regular star. A more noticeable retool occurred in 1997, where a Channel ...

The Fantastic Four were Stan Lee's first creation with artist Jack Kirby and they were an instant success for Marvel. With their 1961 debut in "Fantastic Four" #1, Stan Lee and Jack Kirby introduced a new level of realism to the comic book genre that would go on to shape the future of comics. Breaking from the traditional superhero archetype, these characters were flawed, argued with each ...
